KAM SCHOOL HAS BIG CROWD

All Teams Strong For Coming
Year—May Not Have
Football.

The Kamehameha Schools opened yesterday and up to 5 o'clock last night 160 boys had registered at the manual department and twenty more are expected to enter within the next few days. The school is packed to the limit this year, taking in more students than ever before.

Among the new recruits who entered the school were some good athletes from outside islands. The prospects for good athletic teams this year are bright, and the only sport that the boys are in doubt of winning is baseball. Oahu College has a very strong team, but the Kams will give them a hard rub this year.

The soccer and track teams are as strong as ever. Many of the boys will turn out for the mile and half mile this year, and the school ought to show up well on the track. The college has sure first place in the high jump, pole vault and shot put, but the other events are open for the Kams to make good in.

Apau, the captain of the soccer team, claims that he has material for a better team than that of last year. There are only two vacancies, at fullback, and these positions will be fought for by W. Oponui, J. Kaulana, Ah. Leong and Dan Kaleialii. These plays are all from the grammar school team of last year.

The old members of the team who will be on hand when the seasons opens again will be W. Apau (captain), E. Noah, S. Hussey, H. Godfrey, H. Brandt, G. Lujan, W. Walealele, W. Kamaloipi and D. Hipe.

The Kam soccer team has held the interscholastic championship for the past two years and expects to repeat its performance this winter. It is rumored that Oahu College will come through with a soccer team this year, and the Kams hope this is so, as it would make an interesting series.

The prospects of a strong track team are also bright, and none of last year's team members are missing. All that is looked for now is some more good new material to fill the weak spots, and this will be worked up during the school term.

Captain Eddie Noah, the crack short-stop on the school team, is back and looking over the candidates. He says his team will do better this year. Lujan and Joe Kauli will be at the receiving end at intervals. Lujan holds down first when not catching. W. Apau will cover his old stand at second, and at the half-way station will be found Captain Noah.

This year third-base honors will lie between W. Oponui, D. Kaleialii and C. Hosea. All three are cracks at the game. John Lindsey, the regular third baseman, has not returned. For fielders' choice, W. Kamaloipi of the senior class will be out in left field, while Spencer, the southpaw of '11, will also hold a position in the field. The third man in the field will be either W. Oponui, Ah. Chew or Sam. Hussey, and it will be a close thing to decide.

The weakest spot on the Kam ball team this year will be the pitcher's position, and the candidates are C. Hosea, who pitched some good games last year, and Walter Kamaloipi. It is said that there is a good twirler among the new students who arrived from Hilo Saturday.

All looks well for a splendid season of sports, and as the new field is now in readiness, the interclass games will not be interfered with as they were last year.

Football.
The athletic committee will soon meet to discuss the question of whether or not the school shall put up a football team this year. At the present time the indications are that there will be no team on account of lack of funds. It would take at least \$200 to get the football tags and shoes. There is more than enough good material on hand to produce a strong team, but without the football articles no teams can be formed. There is no question that interclass football will be played in November, but as to making a school team, the chances are very dull.

All athletes who wish to compete in the A. A. U. meet on September 30 must register before Saturday afternoon at 5 o'clock and send in their entry before that time also.

Jimmie Fitzgerald is anxiously waiting to meet Antonio Kano over the full Marathon distance, but the chances are not very bright.

BULLETIN THANKED BY WINNING CLUB

Honolulu, T. H., Sept. 18, 1911.
Dear Mr. Farrington:—On behalf of the Heanani Freshmen crew of 1911, I wish to thank you for the prominence given it on the front page of your paper of last Saturday, also for the headline in connection with it. The crew certainly appreciates it.

The editorial mention you gave the club as well as the "All Blue" edition you put out are merely expressions of your loyalty to clean sport and I feel certain that each and every member of the Club feels that you have merely voiced their sentiments in advance of them.

Very truly yours,
J. W. LLOYD,
Coach, 1911 Freshman Crew.
W. R. Farrington, Esq.,
Editor, Evening Bulletin.

LEAGUE SERIES PAU OCTOBER 15

Postponed Games to Be Played
Next Sunday—Series
Is Slow.

The baseball games that were postponed last Sunday will be played off next Sunday, and the Stars will tackle the P. A. C. while the Hawaiis will meet the J. A. C. nine in the second game. This lengthens out the series one more Sunday, which will end the season on October 15, and then the following Sunday the first championship game of the series will be played between the Hawaiis and, as it looks now, the P. A. C. nine.

It is hoped that there will not be another postponement, as the series should end as soon as possible, the fans being anxious to see some other teams in the game. This has been the longest ball season of one league held here for many a year. It began in May and is still on for another month. If the Oahu League would cut out its last round of games it would make an exciting finish, but it can hardly be done now.

The Olympic Club ball team should put up some good games with the local lines when it arrives, and it is planned to have the Olympians play the champions of the first series.

President Chillingworth of the Oahu League is anxious to see the series finish up, as do the rest of them, but the rain Sunday did not seem to care, so put the league back still another Sunday.

A. A. U. HOLDS ANNUAL MEETING

The annual meeting of the Hawaiian branch of the A. A. U. was held in the rooms of the Public Service Association yesterday afternoon at 5 o'clock, and representatives were present from all of the clubs with the exception of the Kama Athletic Association.

The board of governors was elected and at once elected the officers of the association for the coming year. Following are those chosen to hold office: President, G. H. Tuttle, reelected; vice-president, A. H. Tarleton, reelected; secretary-treasurer, Charles E. Loomis, the new manager of the grammar school league. Lorrin Andrews is relieved of the busy job now. He has been an exceedingly busy man since holding the position.

The board of governors for the ensuing year is as follows: A. H. Tarleton, Heanani; John Soper, Myrtle; Lorrin Andrews, Outrigger; G. H. Tuttle, Trail and Mountain; F. O. Boyer, Puunene; J. H. Fildes, Hawaiian Association Football; C. E. Loomis, Grammar School Athletic League; Dr. Hand, Y. M. C. A.; W. S. Bowen, Palama.

The union has made a good start here and the report of the past year showed good results. None of the schools have joined as yet, but it is hoped they will soon see their way through to join.

Toukanoto, Beharash and Nigel Jackson left for Maui this morning, where they will compete in a fifteen-mile race to be held at Kahului next Sunday. The boys will land at Lahaina and run across to Kahului to give an exhibition of their running.

The Interstate Commerce Commission denied the express companies relief under the long and short haul provision of the law.

PROFESSIONAL

FOREIGN

ATHLETES ARE WORKING HARD

A. A. U. Meet Should Be Interesting Event This Year.

The next big event in the little sporting world of ours will be the A. A. U. meet on September 30 at Alexander Field, Oahu College when the first official field and track meet will be held, to establish records for the Hawaiian Islands. The results will be forwarded to the home body in the States.

Only two weeks remain, and the athletes are working hard for the occasion. The entries for the coming event close Saturday at 5 o'clock and are to be made to John Soper, at the Hawaiian News Company, Young building. Each member must produce a card of membership in the A. A. U. before he can enter any of the events.

John Fernandez, the lad who made good time in the sprints down on Kaula, is now in Honolulu and will represent the Garden Island in the coming sports, with K. C. Hopper and Hans Fassoth, the latter two good men at the high jump.

Bill Rice is glad to hear that the Kaula lad is going to enter the coming meet, as he wants to have a good opponent in the hundred yards. Rice is not worrying over being defeated in the sprints, as he believes that there are none that can do him any harm over that distance. George Manoha of the Kamehameha Schools will be one of his likely opponents, as will C. Hosea and probably Godfrey, all of the same institution. The Oahu College athletes are not taking much interest in the A. A. U. at present.

Rice is doing his training out at the Boys' Field every evening. He is practicing a great deal in starting, at which he was not so good in the last meet. Honolulu will look to Bill Rice to put up some good records in the sprints, and he has always entered the hundred, 220, quarter mile and 220 hurdles. However, it looks as though he will not do very good if he enters all these events, as they come off one after the other.

One thing that will be strictly carried out in the coming meet is that if any member fails to run in what he enters he will be disqualified from the race. The officials expect to carry this out strictly this year. Ching Chow, a Chinese lad of unknown quality to the athletes, is among those training for the sprints. Nottage and Bill Rosa are working for the half mile at present.

There is a rumor that the Highs are to enter a team in the coming meeting and that Bill Rice and Marcellino will be among the contestants on the team.

WORLD'S RECORDS FOR SWIMMING CONTESTS

The world's records for swimming are as follows:

100 yards—C. M. Daniels (United States), 1 min. 32.2-5 sec., at Manchester, Sept. 7, 1907. Length of course, 25 yards. Great Britain passed record.
150 yards—C. M. Daniels (United States), 1 min. 32.2-5 sec., at Manchester, July 8, 1908. Course 25 yards in length. Record passed by Great Britain.

220 yards—C. M. Daniels (United States), 3 min. 25.2-5 sec., at Pittsburgh, Pa., Mar. 26, 1909. Length of course, 80 feet. Record passed by United States.
300 yards—F. E. Beurepaire (Australia), 5 min. 24 sec., at Exeter, Aug. 2, 1910. A 25-yard bath. Great Britain passed record.

440 yards—F. E. Beurepaire (Australia), 5 min. 24 sec., at Budapest, June 8, 1910. Length of baths, 331-3 meters. Hungary passed the record.
500 yards—B. B. Kieran (Australia), 6 min. 11.5 sec., at Leeds, Aug. 25, 1905. Course was 25 yards long. Record passed by Great Britain.

800 yards—H. Taylor (Great Britain), 11 min. 25.2-5 sec., at Runcorn, July 21, 1906. Course 220 yards. Record passed by Great Britain.
1000 yards—D. Billington (Great Britain), 13 min. 74.4-5 sec., at Liverpool, July 22, 1905. Course 125 yards. Great Britain passed record.

1700 yards—T. S. Batterby (Great Britain), 24 min. 1.2-5 sec., at Southampton, Aug. 7, 1909. Course, 110 yards. Record passed by Great Britain.

The Heanani members, evereasing over the success of their crews in the regatta sports, are going to give vent to their feelings by giving a swell banquet in honor of the crews which took part in the races last Saturday. Next Saturday is the day set for the celebration.
